

Teacher Feedback Terms 1: Good Job

A Quick-Reference Guide

- Terms to use when a teacher is giving general positive feedback to students:
- A unique term for each student - terms are not re-used within the same class.
- Terms are (ideally) basic enough for students to understand.
- Terms are generally equivalent (Words are equal in the level of praise given.)
- A few terms that may be giving higher praise are noted at the bottom of the list.
