

Self Introductions - Basic

A Quick-Reference Guide

Basic Template

- *Greeting: "Hello. How do you do." [Handshake]
 *Full Name: "My name is _____."
 *Country: "I am from (Japan)."
 *Company: "I work for (Company), where I am a(n) (job),
 in the... _____ department."
 *Area(work): "I work with/in _____."

Notes

- "in" vs. "with"
 "in" is for an area [wide/broad] vs. "with" is for something specific [narrow]
 e.g.
 in medicine production vs. with mucosta
 in cancer drug development vs. with cancer drugs
 with paper packages vs. in packaging
- To add your home town: *Country: "I am from (city/県、町、市), (Japan)."
- "How do you do" is for meeting someone for the first time, or addressing a group such as before a presentation.
- "technician"
 Researcher = general term, a normal employee
 Technician = assistant/helper
 Engineer = design work / work-process work / production work / involving machines
