Checklist-Planner

For Self-Guided Study

This is a Daily & Weekly Check-list for work to be written down elsewhere.

You can write down your work in a Daily Study Guide

Instructions

This sheet contains different daily activities that should be done in separate notebooks.

Use the checklists to keep track of what activities you have done. In the check-boxes you can enter a check mark or the amount of time spent. e.g.

or

x

2 min.

Content Guide

Daily Journal (日記): Write one entry for today. You can write about anything.

Daily Listening: Listen to anything in English (Movie, Series, Radio, News, Podcast, etc.) Write down any words you hear and then check them against the transcript if there is one.

Daily Copying: Read aloud, copy, and check a section from a real-world English text of your choice. (Book, Newspaper, Journal, etc.) Textbook-English is not highly recommended.

Daily News: Record keywords or a one-sentence summary of a story from an English or Japanese news source.

Daily New Word/Phrase: In a Vocab Notebook, record new words that you learn each day (from train signs, books, internet, etc.). Copy or make a sentence with a new word every day.
